Chairman.....

Date.....

The Chairmans report June 2022 to May 2023.

All of our meetings have at some point, as in the past, been concerned with speeding through the village and as mentioned in last years report there has been no official support from the council and only a police camera van occasionally. We keep coming up with ideas but the highways authorities wouldn't allow them or the council were unable to afford them.

No doubt this will continue on, perhaps we may be able to work out another clever plan!

The year has had its fair share of Planning Applications however none that were contentious and I believe that they were all agreed by the Council.

The Cholmley Hall Committee have again run the Hall and organised excellent community gatherings etc through out the year with efficiency and aplomb, our thanks to the committee for the excellent administration.

Also thanks to Roger Pierce for continuing with the web site throughout the year and we wish him well for the future however we do need to update and find an 'expert technician' to follow on from him.

Also many thanks to our secretary for her fine work and good advices to the committee throughout her first year in the job, professional and knowledgeable.

I look forward to the next year and the challenges!

Chairman

Ricky Pearson-Adams

Brandsby Playground Report

I have had many reports of the playground being regularly used. It proved to be a great asset at the Coronation celebration.

The annual external inspection was carried out. Nothing was highlighted as needing urgent attention.

No maintenance has been carried out during the year apart from regular grass cutting by Peter Jones. This arrangement will need to be reviewed.

The insurance and external inspection fees have been paid so there are no outstanding expenses.
